

# 알맞은 색종이 조각을 찾아요

네모난 색종이에서 잘려나간 조각을 찾아 동그라미 하세요.

A yellow rectangular paper with a vertical strip cut out from the left side. A dashed line indicates the cut, and a scissors icon is at the bottom. To the right are three yellow shapes: a narrow vertical strip, a wider vertical strip, and a trapezoid.

A blue L-shaped paper with a square cut out from the top right corner. A dashed line indicates the cut, and a scissors icon is at the corner. To the right are three blue shapes: a parallelogram, a right-angled triangle, and a square.

A purple paper with a square cut out from the top right corner and a triangle cut out from the bottom right corner. A dashed line indicates the cut, and a scissors icon is at the corner. To the right are three purple shapes: a right-angled triangle, a square, and a trapezoid.
